Past President - David Hultman

- If you're an underclassman, consider running for a cabinet position! It looks great on a resume, isn't too much time commitment (for lower positions), and will help you feel more connected to the university and AMS.
- If you're an upperclassman, also consider running for a cabinet position (whether you already have one or not)! It's a great way to build and showcase your leadership skills as well as get connected with AMS underclassmen and fellow upperclassmen.
