President - Jordan Howell

- How this is going to go:

- Now that you've all read through the 60-page long nominee responses...
- We will bring up candidates for each position; the person in their position will ask them questions; audience also gets one question
 - President and VP candidates get some time for a speech
- They will go into the hall, we will discuss and vote
- Candidate needs >50% of the votes to win
- Non-elected individuals will be allowed to drop to another position (up to three positions)
- Some comments on questions and discussion:
 - All questions must be relevant and on-topic. Questions which are deemed to be otherwise will be dismissed.
 - For discussion, please think before you speak, but you may say anything within reason. Personal insults are strictly forbidden and likely will come back to bite you.
 - All question and discussion sessions will be timed, with times varying for different positions. Once the time is reached, discussion must end.
 - If any person is running unopposed for a position, they will not be asked to do a question and discussion session for the sake of time.
 - As President, I will be abstaining from discussion to avoid bias.
