- Attendance
 - Please use the scanner at the front of the room if you haven't yet.
- **Fall Clothing is back again!**
 - This year, we had merchandise designed by Dogtown University in Ames.
 - Hopefully trademarking is easier through a local business
 - They designed them and are aware of ISU trademarking rules
 - Have crewnecks, t-shirts, and hoodies
 - Merch should not take 3 months to get here, they said turn around time is about 2-3 weeks after we have a design picked and a count of how many we want to order!
 - **T-Shirts:** \$17 with one color, \$19 with two
 - **Crewnecks:** \$25 with one color, \$27 with two
 - **Hoodies:** \$30 with one color, \$32 with two

Concessions is so much fun!

Person elected to help with concessions

Secretary

- Contact: wvandyk3@iastate.edu or secretary.isuams@iastate.edu or (641)-780-3772
- Duties: sending updates about our chapter to local and national newsletters, updates in the weekly departmental newsletter.
- If you can't make a meeting, read the minutes for information!
 - Will be sent out within 48 hours
 - Please contact the webmaster if you aren't receiving the minutes
 - Minutes will also be posted on the AMS website
- Quiz at the end of the minutes
 - Have fun trivia or theme suggestions? Send it to me! It could be included in the next meeting minutes.
 - Prize at the end of the semester for those who fill out the quiz!
- The website calendar is another good source to see events that are happening.

Social Chair

- Contact: social.isuams@iastate.edu
 - Addison Courtemanche - ajcourt@iastate.edu
- What is Social Chair?
 - Social Chair is responsible for planning, coordinating, and holding the main events for AMS. Holding these events can help AMS members get to know each other! (To do this we need attendance from both the underclassmen AND upperclassmen!)

- Any New/Old Social Event Ideas? Fill out this [Form Here!](#)
 - If you are a returning member, and want any social event from previous school years to return, please also don't hesitate to put past events that you feel we should bring back!
 - No event idea is a bad idea!
- I want to start with weekly availability for these events to take place!
 - Please fill out your weekly availability [HERE!](#) This helps me know what the best time to plan events will be!

Outreach Chairs

- Contact: outreach.isuams@iastate.edu
Claudia Martin - cjmart13@iastate.edu
Collin Kennedy - collinjk@iastate.edu
- What is outreach?
 - Traveling to local schools, science nights, weather awareness, and talking about Meteorology!

- Fostering a relationship between AMS and the surrounding community.
- Fun, rewarding experience working with local youth!
- Outreach Chair x2!
- ClubFest
 - Wednesday, September 9th, from 11-4 PM on campus (either Morrill Road or the MU, more info to come).
 - More people = more fun! Sign up with a friend to work the table to get more people interested in AMS!
 - **We need people to staff the table! ANYONE CAN SIGN UP, NOT JUST COMMITTEE MEMBERS**
 - Please, please, please sign up if you have a free hour
 - Sign up for ClubFest
 - [Clubfest Sign-Up Sheet](#)

The AMS Outlook Calendar will have all outreach visits, so if you see an event you'd like to help with feel free to email or text us!

- School Visits and More
 - Parkview Middle School Visit on Tuesday, October 13th, from 10:30 AM-12:45 PM

- Emails were sent out at the beginning of August; we will keep you posted on more dates for visits soon!

Academic Chair

- Contact: kstruik@iastate.edu or academic.isuams@iastate.edu or 712-451-9570
- What is my role?
 - I'm here to help you become the academic weapon you were born to be!
 - Main responsibilities:
 - Encouraging students to apply for internships and scholarships available to them
 - Holding review sessions for meteorology classes in the department of the Earth, Atmosphere, and Climate
 - Running a couple of professional development events throughout the year
 - Directing students to academic/career enriching services and resources at ISU
- I would like to hold a few professional development events throughout the year
 - **Fill this form out [HERE](#) to indicate which session you would like to see!**
- Meteorology Class Review Session Sign-Ups!
 - **Please let me know which classes you are in and your general availability [HERE](#)**
 - **Signing up helps me be able to help you all best! Please fill out the form as soon as you are able.**
 - Review sessions will likely involve some combo of slides, review sheets, and practice problems.
 - If there is a class you would like assistance in that is not yet on the document, please reach out to me via my contact info above and we can see what can be done.
 - Again, feel free to talk to me about any other concerns you may have, and if I have experience with the class/topic, I will try to help you or at least help direct you in the right direction.
- Academic Resources
 - Take advantage of the many resources available for you at ISU and within meteorology!
 - Supplemental Instruction - Held in-person - [Link to SI website](#)
 - This can be an amazing resource for classes outside of meteorology. Unfortunately, the structure can often change, but I still highly recommend seeking this resource if you are struggling in any classes that offer SI.
 - [Fall 2026 SI Schedule](#)
 - Tutoring - Held in-person - [Link to tutoring website](#)
 - FREE, and takes place at scheduled times in Hixson Lied Student Success Center
 - [Academic Success Center](#)
 - AMS Review Sessions (reminder to [fill out the form](#))
 - Some additional resources can also be found on the ISU AMS website [HERE](#)
 - This is outdated currently, but the Calculus Resources section still seems helpful.
- Scholarship/Internship Updates
 - Check out our pages on the website
 - [Scholarships](#)
 - [Internships](#)
 - These may be outdated - I plan to investigate at some point!
 - Know of something that isn't on here? Let me know, and I'll share it!

- A Pathways Internship at NWS offices is a great opportunity to get a head start in getting into the National Weather Service. There are also other ways to potentially get involved with NOAA and the NWS - click [HERE](#).
- Not many applications are open now; however, several scholarships and REU applications will open up later in the fall. Use this time now to brush up on your personal statement writing skills and to update your resume/list of activities and experiences. The [ISU Writing and Communication Consultations](#) can help with this
- Review Sessions
 - All review sessions will be in full compliance with Event and Meeting Guidelines, as issued by the Student Activities Center.
 - A potential hybrid of both in-person and online sessions is possible.
 - Review sessions can be made virtual, too if there is a high enough demand. Additionally, review session material may be worked through and uploaded in an asynchronous material for students to view at any time following the review session
 - If you have a preference as to which topic I discuss for a specific review session, please fill out [THIS](#) form
- EWF Learning Community Math Tutoring
 - Tutoring sessions for any math class
 - They are absolutely free! (provided by the department)
 - More details to come - Jeanne Oreschnick is this year's math tutor!
- Let's make this year awesome! Don't hesitate to reach out at any point - I'm here to help!

Forecasting Chair

- Contact: hanson04@iastate.edu / forecast.isuams@iastate.edu / 563-422-0337
- WxChallenge – [Homepage](#)
 - Improve your forecasting skills, compete against other schools, build your resume, and gain experience while (hopefully) having fun!
 - 4 forecasts per week, two weeks per city, for various cities across the US
 - No prior experience needed. This is a way to gain it!
 - Information:
 - Registration:
 - One Semester - \$3
 - Both Semesters - \$5
 - Registration opens **September 2nd!**
 - Forecasting will begin on **September 28th!**
 - Please fill out the interest form passed around!
 - Commitment Contract
 - \$5 deposit

- After missing three forecasts, you will lose \$3 of your deposit, and after missing five forecasts, you will lose the rest of your money.
 - If you want your \$5 back, FORECAST!
 - Missing forecasts tanks your score and is a detriment to the team.
- What I need from you:
 - Name and ISU email on interest form
 - Registration fees (\$10) to me or treasurer Kaitlyn Hessenius by the next AMS meeting
 - Self-registration this year - more on that in the info meeting
- **WxChallenge Info Meeting**

NWA Representative (Until October)

- **Contact:** Riley Mildebrandt - nwa.isuams@iastate.edu or rmilde@iastate.edu
- **What is NWA?**
 - The Central Iowa Chapter of the National Weather Association is an organization of meteorology professionals and students.
 - We host the annual Severe Storms and Doppler Radar Conference in late March.
- **Is NWA just another AMS?**
 - No! NWA is a lot more focused on professional networking and sharing knowledge about weather. In a small career field like meteorology, networking is extremely valuable. You never know when a connection you make may eventually lead to an internship or job offer down the line!

- **Can you join both AMS and NWA?**
 - Absolutely! AMS and NWA events will almost never overlap, so you can easily be active in both! Basically all student NWA members are also AMS members.
- **Why should you join NWA?**
 - *Networking:*
 - We have multiple members who are NWS mets, including our current President and Vice President. NWS participation is expected to increase this year!
 - We also have some members who are broadcast mets!
 - It's a great opportunity to ask questions and get your name out there!
 - *Tours:*
 - We usually have a meeting at a tv station and the NWS Des Moines office at some point during the year! We are given a tour of each of these locations, with plenty of opportunities to ask questions!
 - *Leadership and involvement opportunities:*
 - There are five Executive Committee positions, all of which are up for election in October!
 - President
 - Vice President
 - Treasurer
 - Secretary
 - Student Liaison (my position)
 - There also are numerous committee positions for planning the conference that any member can join, as well as a committee chair position for each committee!
 - Each of these things look great on your resume!
 - *Learning more about the weather:*
 - The weather service often gives a few presentations throughout the year on upcoming or past events!
- **How big of a commitment is NWA?**
 - Very low commitment! All we have is one monthly meeting, and you are not required to attend.
- **Do I have to be on a conference committee to join?**
 - Nope! My first year, I just showed up and listened to each meeting!
- **How much does it cost to join?**
 - Dues are \$10 each year. However, they are not due for new members until the October meeting, so you can attend our next meeting for free to see if you like it!
- **How do I join?**
 - Just show up to a meeting, and pay your dues once they are due!
 - I will go over how to pay your dues next month.
- **What is the Severe Storms and Doppler Radar Conference?**
 - *Location:*
 - Ankeny, just 25 minutes away! There is not another conference that you will find that is that close!
 - *When?:*
 - April 1st - 3rd, 2027
 - *What is there?:*
 - Speakers (including some very well known names)
 - Interactive radar workshop
 - Broadcast reel critique

- Photography workshop and competition
 - Poster session
 - Career mentoring panel
 - Scholarship
 - *How much does it cost?*
 - Typically \$90 for students, BUT if you are a dues paying member and you attend at least 2 NWA meetings, the registration cost drops to around \$48! That's a savings of about \$32!
 - It's a wonderful experience, regardless of what class you're in!
 - [Here's the conference agenda from last year if you want to learn more!](#)
- **Next meeting:** It will be a cookout sometime around mid-September, likely at Brookside Park in Ames!
 - I will send an email once I know more details!
 - **Interested in my position? Want to learn more?** Come talk to me! I would love to give you an overview of what I do, and answer any questions you have! You can also email me at rmilde@iastate.edu to set up a time to meet to go into more depth!
 - I will have more updates about elections and each position over the next month.
 - **If you think you might be interested in running for a position**, make sure to attend the next NWA meeting, as further information about each position will likely be provided.
 - For any position or committee, the only requirement is that you are an NWA member. If you've been a part of NWA for at least a year, I would highly encourage you to consider running for a position or taking a committee chair role! It should be noted that I believe President is typically reserved for a professional or faculty member.
 - **We want to hear what days of the week work best for you for NWA meetings!** Please fill out [Addison's weekly availability form](#)! Meeting dates will still be largely driven by NWS availability and AMS events, but we will try to accommodate student availability the best we can.
 - **Questions?** Please don't hesitate to reach out! You can find my contact info at the top of this section!

Past President

- Contact: Jordan Howell jordan.howell334@gmail.com
- Welcome to all of our freshmen and new students, wish I could meet y'all! Such a big welcome back to everyone else!!!
- Some words of advice from your past president:
 - **Get involved with AMS** - You're already here, which is the most important first step. Getting plugged into AMS can be one of the most rewarding things you'll do as a student at ISU (it was for me!), and there is an abundance of opportunities for everyone. There's so many opportunities for leadership, resume development, networking, and fun! Make the most of it!
 - **Take notes at the meetings!!!!** Seriously, there are a lot of deadlines and events that we go over in these meetings. Write them down in your planner/calendar so you don't forget about that super fun Social Event, RSVP deadline, or Review Session you wanted to go to. You make it so much easier on your club officers when you RSVP!

- **Get to know people** - AMS is also a great way to get to meet your fellow meteorologists. Many of my closest friends at ISU have been from AMS/the meteorology program in general, so make sure you're getting to know your peers - I know it's hard to reach out freshman year, but I didn't find my friends until sophomore year anyway, so always be open to new connections!
- **Get out of your comfort zone** - College is an important time to grow as a person, and that involves taking risks. Show up to Cy's Eyes, help out with outreach events, go to that tutor when you're struggling - this can look different for everyone. Take a big step outside your comfort zone to network, and don't be afraid to ask to get involved in things you find interesting.
- **Find your niche** - There are so many different things to get involved with in AMS - find your area and make it count!
- **Seniors, get ready to buckle down** - Thesis (and graduation) will come at you fast. Be ready, but also try to take time to slow down and enjoy the little things that college and senior year brings. You won't realize just how much you miss them until you've graduated. This feels like I'm preaching to the choir but it's so so true - I wish my friends and I were still in Ames just so I could see them everyday.
- Feel free to reach out anytime you have questions or could use some advice from a graduate of the program! I just started at NWS Louisville yesterday, so if you want insider information, a better idea of where NWS is headed, or to talk about anything on your mind, I have plenty of free time!

Sophomore Chair

- Contact: Sophomore.isuams@iastate.edu
- Joseph Balakrishnan Jbalak@iastate.edu - (843) 998-3070
 - Throughout the year, I will be holding a variety of events tailored for freshman and transfer students to get used to life at ISU, learn about our program, get involved, and make new friends!
 - While the events are tailored for freshmen and transfer students, everyone is welcome and encouraged to attend.
- AMS New Student Spotlight
 - At every meeting, 3-4 new students will be featured
 - Use [THIS FORM](#) to answer some fun questions about yourself!
 - This is a great way for everyone to get to know you!
 - This is also a great time to meet new people and learn more about each other
 - **Want your dues paid for?** If you fill out the form by the next meeting, you will be entered in a drawing for free dues!
- AMS Buddies
 - If you're new to AMS, we want to get to know you!
 - This is also a great opportunity to meet new people and make new friends!
 - Meeting other people in AMS is a great way to get involved!
 - Please only sign up if you are going to meet up with each other once per month. This could be anything from grabbing coffee or a meal to doing study sessions or schoolwork and being able to ask questions.
 - **New students**, please fill out [THIS FORM](#) to get connected with a returning AMS member
 - **Returning students**, please fill out [THIS FORM](#) if you are interested in connecting with a new student.
 - New students will get paired with a returning student, and you can ask any sort of questions you have about Iowa State University, the meteorology program, or college in general.
- Speed Friending **TBD**
 - **This will be my first event for the year!**
 - Great way to meet new people and make new friends
 - Meet some upperclassmen
- If you have any questions or concerns about getting started at ISU or how to get involved, reach out to me via text and/or email! Have a great start to your semester!
